NEW! EMS SERVICES AND EMS SYSTEMS—

What is the Road Ahead? : 10:30 – 12:00PM

This discussion on EMS Systems Development will assist EMS leaders in identifying and articulating the challenges EMS services face throughout our state and how participating in System Development activities can help us overcome those challenges. We will also define, describe, and discuss Service Regions across Iowa and how we fit into our local Service Area Coalitions. We will work together to identify best practices and strategies for leveraging this new model towards our advantage.

CULTIVATING THE COURAGEOUS LEADER MINDSET

1:15-4:00pm Presented by Iron Jen McDonough

How much better would our families, communities and organizations be if we helped individuals develop a courageous mindset? In this engaging session, audience members will learn how to build resilience, overcome obstacles, and work in their strengths by developing a courageous mindset.

The outcomes of this session are to build stronger individuals, teams, organizations, and families by:

- Recognizing how lack of a courageous mindset can cause chaos
- Identifying destructive behaviors that discourage a courageous mindset and promote chaos
- Teaching 4 ways to develop a courageous mindset even during times of turbulence

Organizational benefits include:

- Promote employee wellness
- Create and cultivate a culture of courageous leaders
- Improve employee retention and satisfaction
